NANCY JOSEPHSON

[Bruce Tolman](#)

We have several abstract works – all paintings in the living room, one in the foyer, in the hallway on the second floor (three green squares in the primary bedroom (above bed and behind lounge chair), and one in the basement (next to TV) by Bruce Tolman.

[Clemente Mimun](#)

We also have several works by Clemente Mimun. The Poppies and the abstract Nude Couple at the top of the stairs on the third floor are both his. These are a few others:
